North Eastern Illinois University

Custom designed sunshades and grilles to enhance any building.

With any project, the finishing touches can make all the difference. At AGS, our experienced team works closely with you to make sure our grilles and sunshades meet your design and energy efficiency goals. Best of all, our in-house fabrication allows products to be sent to the job site already assembled – saving you time and lowering your cost.

See how the AGS difference can help make your design a shade better. **Call us at today!**
